What is important to me when I am at work:

Organisation within the work place

Supporting the People We Support when I can

Communication with other staff members of any changes taking place

That the People We Support are happy and safe

How best to support me when I am at work:

Talk to me

Inform me of any changes I need to know about

What People Like and Admire About Me:

Sense of humour

Helpful

Knowledge of the People We Support

Like to complete tasks when started

How I implement Future Directions mission and values in my daily work:

Undertake all training relevant for me to do my job

To adhere to all Future Direction Policies and Procedures

To make sure all the People We Support are kept safe
