

To make a real difference to people's lives through living out our values

Outreach Support

At Future Directions we provide a range of Outreach Support to meet individual needs.

Support is based on the needs of each individual and we work with each person to design and deliver what they need and want.

We support people with:

- Learning disabilities
- Physical disabilities
- Acquired brain injury
- Dementia
- Mental health needs
- Autism
- Substance abuse

All of our Outreach Support is:

- Flexible, based on what you want
- Reliable, we will turn up when we say we will and do what we agree with you
- Responsive to changing needs - If you need more or less support we will adapt to what you want
- Delivered from the individual's home - We will come to you and enable you to get out and about

Support provided to ensure you stay independent and as happy as possible including:

- Meal preparation
- Personal care
- Getting to and from appointments
- Accessing education / college
- Accessing leisure activities
- Medication
- Shopping

Some of the benefits gained from receiving Outreach Support:

- Reduces loneliness and feeling isolated
- Maintains independence
- Increases self confidence
- Opportunity to access a wider range of community activities
- Develop friendships
- Increases sense of wellbeing and happiness
- Learn new skills
- Creates employment opportunities
- Maintain physical and mental wellbeing

All our staff are recruited based on ensuring that they are able to fully live out our organisational values:

Put people first
Be transparent
Go the extra mile
Be creative
Be adaptable

We provide dedicated staff who are all:

- Fully trained in all aspects of care and support
- DBS checked
- Drivers with full access to a vehicle
