## *My One Page Profile*

### *What is important to me?*

My family and friends.

Keeping fit by going to the gym and walking in the lakes.

Holidays and travel.

Working with people who want to do a really good job, I know I'm not always very patient with people who don't do their best.

That Future Directions grows and provides the best possible care.

### *How best to support me*

Help me to gather all the information I need before pushing me to make a decision.

Give me feedback if I'm doing things well and don't be afraid to tell me when I'm not.

I'm really rubbish at remembering people's names so help me (and forgive me) if I forget yours!

Keep the coffee flowing.

### *What people like and admire about me?*

I support the interests of the people we support.

I have a lot of knowledge and experience.

I'm not afraid to tackle issues but try to be fair.

I work hard and don't mind making an extra effort.
